URL to the Qualys API Server

The Qualys API URL you should use for API requests depends on the Qualys platform where your account is located. Click here to identify your Qualys platform and get the API URL This documentation uses the API gateway URL for Qualys US Platform 1 (https://gateway.qg1.apps.qualys.com) in sample API requests. If you're on another platform, please replace this URL with the appropriate gateway URL for your account.

Issue Addressed

• We have fixed an issue, where the Find API call displayed an error because the tags contained special characters in the WAS application.
